FEURICH

Tradition & Innovation

Mod. 115 - Premiere

feurich.com

Technical Specifications

- Timeless **Bauhaus design**, elegantly styled by architects
- **High quality wooden soundboard**, set in a precisely bonded locking system: **robust and durable construction with a rich and balanced tonal spectrum**
- **Climate-resistant** laminated pinblock in combination with a CNC-milled iron plate to provide long-lasting **tuning stability**
- **Unique action design**, with an even weighted keyboard. First class felt, made by FEURICH in England. Keyboard and action made using solid Austrian timber to produce the **perfect touch** and enable **fast repetition**, even when playing pianissimo
- **FEURICH hammerheads** made from quality felts using Australian wool - resulting in a **wide tonal range**, from bright and clear, to gentle and warm
- **Elegant pedal design** using traditional wooden levers and u-shaped springs - enabling remarkably **noise-free** performance and requiring **very little maintenance**
- Reliable and easy-to-operate **celeste pedal** enables **night time practice**. Optional **Silencer System** for playing in headphone mode

The fine, balanced tone from the smallest in the FEURICH range is beloved by both beginners and professional pianists worldwide.
