FEURICH

Tradition & Innovation

Mod. 179 - Dynamic II

feurich.com

Technical Specifications

- The best new FEURICH action, special yellow FEURICH felt from England. Keyboard and action made using solid Austrian timber: **fast and precise touch**
- **Climate-resistant** laminated pinblock in combination with a CNC-milled iron plate to provide excellent and long-lasting **tuning stability**
- Rust-free string wire by Paulello: an innovation in **improved clarity and quality of tone**
- Extended construction size: wonderful, **long-lasting tone**, with a **full and pure bass sound**
- Traditional FEURICH design: **the specially-designed music rest** allows optimum transmission of sound
- Innovative FEURICH Design: integrated, **anti-glare LED lighting** on the music rest
- **Luxury features** include: Extra large grand piano wheels as standard; a soft-fall system on the piano lid, as well as genuine wooden black key tops
- The optional fourth pedal, © **pédale harmonique**, opens up a unique **new sound world**. For night-time playing, the **silencer system** enables muting and playing in **headphone mode**

A popular choice in music schools and conservatories around the world - equally loved by piano technicians and pianists alike.
